PROJECT MANAGEMENT

DEDICATED COORDINATORS WITH
A FULL SUPPORT TEAM

BANG! Advertising clients are given a Dedicated Project Manager with an acute focus and expertise within the sign production and installation industry. One of the characteristics we look for when building our team is to find those rare gems who truly care about their work and are obsessed with every detail of project management, determined to become the best PM they can be.

BANG! Advertising has a team of highly skilled, 3M Certified Installers strategically positioned in the largest U.S. markets. This gives you the ability to execute hundreds of installations with a single point of contact. Each installer has been trained, vetted and is covered with a \$1 Million Certificate of Liability Insurance.

GIANT PRODUCT REPLICAS,
CUSTOM BRANDING

BANG! Advertising has produced thousands of Custom Feather Flags and hundreds of Giant Custom Inflatables for major brands and retailers within a wide range of categories including Quick Service Restaurants, Convenient Stores, Banks, Office Products, Cellular, Automotive and Grocery to name a few. We can recreate your company logo, mascot or product and supersize it to a 20' Inflatable or imprinted on a 15' Feather Flag.

BANG! Advertising offers professional Site Inspection services in every major U.S. market. Accurate site inspections are the first crucial step to a winning sign production and installation project. Whether it's measuring Interior Walls, or Storefront Windows, or taking Photos of the jobsite, a successful rollout always begins with precise information, ensuring a smooth process that leads to excellent results.

SIGN ORDINANCE REPORTS

**DATABASE DELIVERS CRUCIAL
INFORMATION**

BANG! Advertising has a National Database of City Sign Ordinances that has been continually updated for 20 years. Our clients have access to reports that provide crucial "Enforcement Information." The result: Un-interrupted events and promotions! Don't waste time and money on outdoor advertising displays without first knowing if the city will allow it. That includes your Vehicle Wraps. Some cities enforce their Sign Ordinances. Many do not. And we know who they are.

BANG! Advertising offers a Nationwide Sign Permit Pulling service. So, if you need a permit pulled (regardless of the city), we can help. Whether it's a Permanent Sign, Semi-permanent, or Temporary, we got you covered. Our service includes, Site Plans, Drawings, Applications and In-Person Pickup, Payment and Delivery.

GRAPHIC DESIGN

GIFTED, EXPERIENCED AND
READY TO ROLL

BANG! Advertising has a stable of gifted graphic designers with years of experience working in Photoshop and Adobe Illustrator. We understand the critical role design plays within the retail environment. Most of the art we print comes from the client or the agency. We have the ability to re-size agency-provided art, or take your ideas and turn them into beautiful advertising displays ready to print.

Money doesn't sleep. And if we're managing one of your projects, neither do we. That's why BANG! Advertising offers you 24 hour, 365 days a year access to our toll-free hotline. When you need us most, we're just a phone call away!
